

新庁舎周辺街づくり協議会

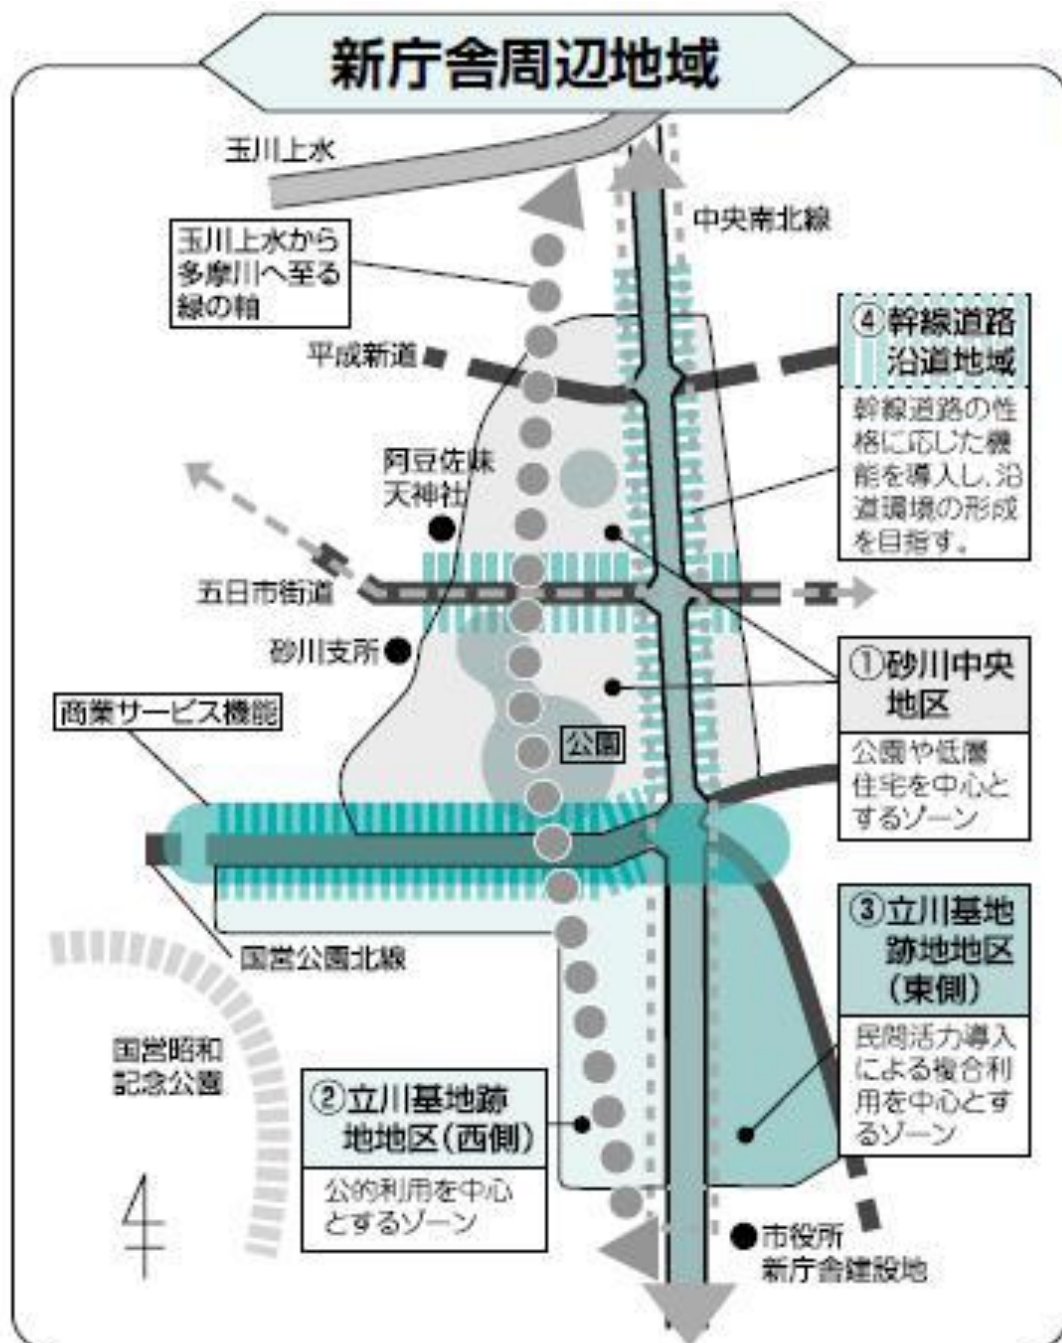

市役所新楼周辺建街协议会提案

新庁舎周辺街づくり方針を提案

“市役所新楼周辺建街方針”

市は平成20年1月から市民や関係団体・機関などで構成する「新庁舎周辺街づくり協議会」を設置し、歴史的経緯や地域特性を踏まえながら、新庁舎周辺地域の活用方法等について議論を重ねてきました。今回、その「新庁舎周辺街づくり方針」がまとまり、協議会より提出されましたので概要をお知らせします。(図参照)

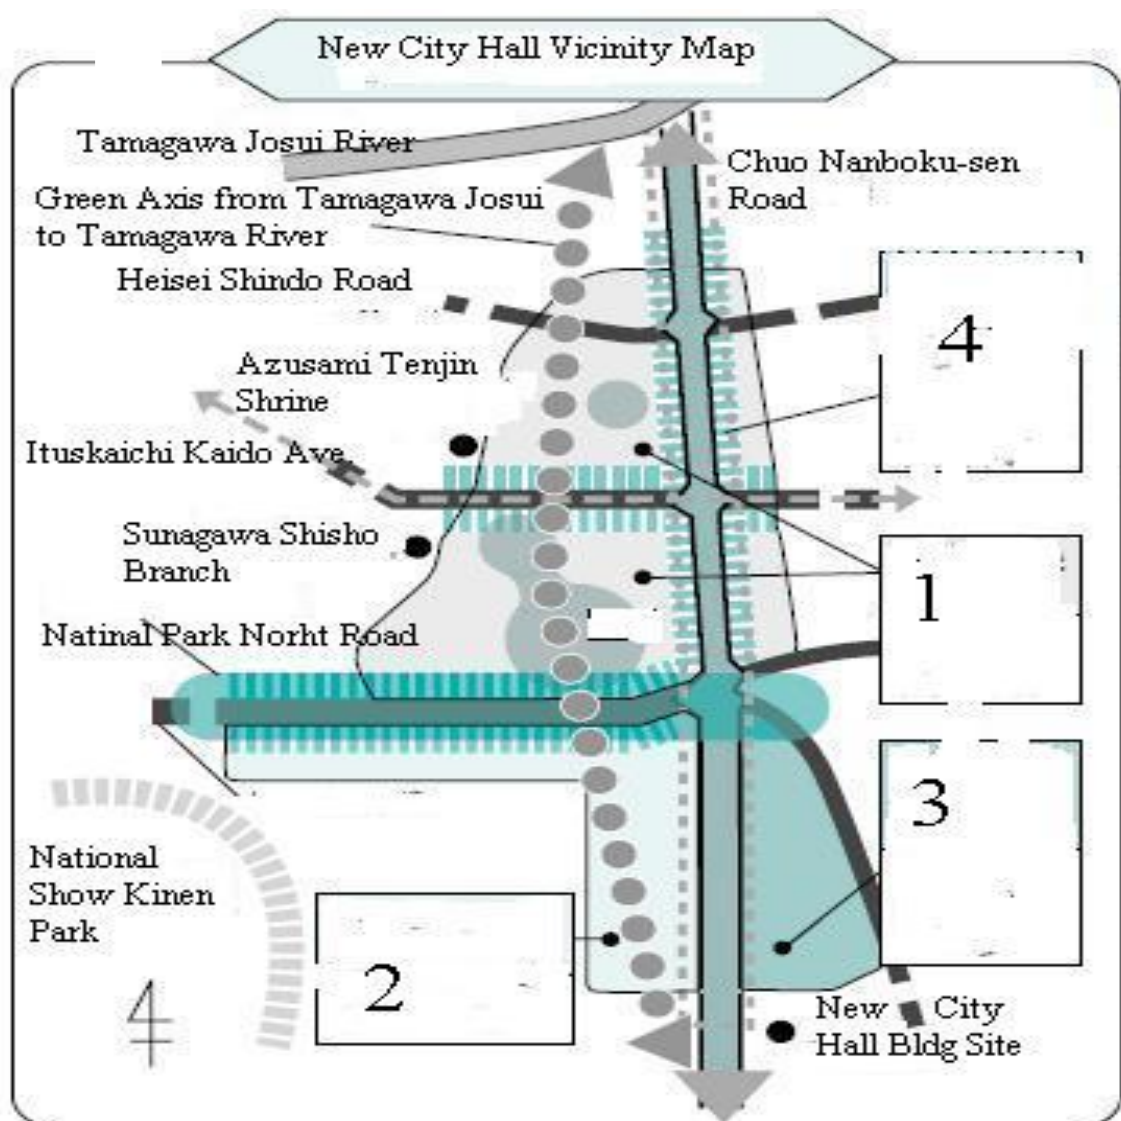

本市于平成20年1月起设立由市民和有关团体以及机关组成的“市役所新楼周辺建街协议会”，对市役所新楼周边的使用方法，考虑其历史的原因和地区的特性，通过反复的议论，决定并提出了“市役所新楼周辺建街方针”。概要如下：

New City Hall building vicinity town making committee

The plan for “New City Hall building vicinity town making “ was proposed.

The city established a committee for “New City Hall building vicinity town making “, and based on its historical backgrounds and peculiarities of the region, the members have been discussing about how the city should utilize the region around the new city hall building. This time, the plan for “New City Hall building vicinity town making “ was proposed as shown in the maps.

1 Sunagawa Central Region =A zone basically consisted of parks and low flat houses.

2 Former Tachikawa Base Region West side=A zone mainly for official use

3 Former Tachikawa Base Region East side=A multi-purpose zone by introducing civilian power

4 Main Road Vicinity Region=Introducing functions suitable for the characteristic of the roads, thus aiming for building up the environment
